Secretariat Report
April 11th 2007

The School of Leaders was conducted at the Cursillo Center on April 11th 2007, with 22 Cursillistas in attendance

SOL opened with the Leaders Prayer

Spiritual talk was given by Fr Warren Murphy. Father spoke to us about our relationship with God. Jesus dined with sinners to show us a better way. Faith is a mystery that in parts grace, enabling us to say yes to God. Faith can be an emotional experience but what about when we are in a spiritual desert with little or no consolation? It is faith that helps us to persevere. Prayer needs to be a part of our daily lives; prayer rooted in scripture. Meditate on one or two sentences of scripture and let that speak to you. Live in the present moment for that is the only time that is real. Have you ever looked at the cross, Christ did this for you. What more could He have done for us.
