

School of Leaders Report  
Secretariat report  
February, 14th

School of Leaders was conducted on February, 14th at the FW Cursillo Center

There were 29 Cursillistas from the English community in attendance. We opened the SOL with the Leaders prayer at 7:40pm.

Spiritual talk given by Cef Aguillon concerning the Cursillo mentality. Ceferino Aguillon is the National English Coordinator of the Cursillo movement. Cef shared with us that the mentality in Cursillo answers the question why? Why do we have Ultreyas, or groupings, or the Cursillo weekend? The answer is the same as the gospel, Jesus Christ loves us. It is more important to be Christian than to do Christian things. It's more of an understanding of who we are based on this truth and an understanding of the value of human dignity innate to each of us. We encounter the same human problems today as the original founders; the active absence of God in the hearts and minds of those around us. Our vocation in the Cursillo movement offers a method to reach people one at a time through friendship in the love and grace of our Lord Jesus Christ.
