

SCHOOL OF LEADERS  
REPORT TO THE SECRETARIAT  
9/23/08

The September Schools of Leaders were not as well attended as the August School of Leaders, but I plan (with some assistance, if possible) to begin calling people who have been attending the School of Leaders this past year that have not attended the last few Schools of Leaders. An updated roster of attendees at the School of Leaders is attached.

I confirmed with Fr. Francis, who confirmed with the Bishop, that when the Bishop attends the School of Leaders on November 19, he will celebrate a bilingual mass at 7:00, then he will speak to the English School of Leaders and while the English School of Leaders is discussing his presentation and the other issues for that evening (we will be discussing nominations for the Spring coordinators), he will drop in and say hello to the Spanish School of Leaders and also visit with the Youth. The English School of Leaders will end with a reception for the Bishop, including coffee and desserts. We will want to include some sugar free desserts for the Bishop.

Fr. Francis and Roy Shelton have agreed to give the presentations to the Schools of Leaders in October. Mary Jean Nagy's presentations on Friendship to the Schools of Leaders in September were well received and sparked some lively and productive discussions among the School members.

The Leaders Prayer interpretation from the August Schools of Leaders has been posted on the website as well as the Schedule for the Fall Schools of Leaders.
