

SCHOOL OF LEADERS
REPORT TO SECRETARIAT
August 25, 2009

Attendance for the month of August was down—only about 10-12 each of the two sessions. The presentations by Dan Martin and Tony Hernandez on “Saturday” from the expanded schedule were well received and generated some lively conversations among the School members. Tony brought out an issue as to the distribution of “Palanca” during the weekend, which may be a topic for discussion amount the Secretariat and the School of Leaders.

Tony Perez and Greg LaCroix will be speaking in September on the expanded schedule for Sunday and then we will continue looking at each of the Rollos in subsequent Schools of Leaders. The 2009-2010 Schedule to date is attached.

I will continue to request members of teams 109 and 209, as well as members of teams 309 and 409 to be the presenters for the upcoming Schools of Leaders on the lay Rollos and have been trying to contact clergy to give presentations on the spiritual Rollos. As you can see from the schedule, I have already had a few responses. We will be reviewing not the actual talks, but the things to consider in preparing the talks, such as where it falls on the weekend and where the candidates would be in their journey, etc., as well as the important points from the spiritual Rollos.

Respectfully submitted,

Denise Flemister
School of Leaders Coordinator
