

SCHOOL OF LEADERS
REPORT TO SECRETARIAT
April 28, 2009

Attendance for the month of April is consistently high. The presentations by Mary Casselman and Robert Gonzalez were very compelling. The speakers scheduled for May are Mary Jean Nagy and Deacon Ron Aziere who will be speaking on the progression of the Rollos.

For the record, the results of the nominations in April are as follows: Connie Bretzke accepted the nomination for Secretary; Mary Casselman accepted the nomination for Post Cursillo Coordinator; Florence Marcucci accepted the nomination for Pre Cursillo Coordinator; Denise Flemister accepted the nomination for Fall Rectora and Tony Hernandez accepted the nomination for Fall Rector. As there was only one nomination for each position, there will not be a need for voting in the May Schools of Leaders; however, I will request a yes/no vote to accept the entire slate as nominated.

As far as the Bylaws, I had one additional suggestion for a change to the Bylaws. It was suggested to me by Roy Shelton that the Bylaws be amended to include a provision for a routine audit of financial records for the English Cursillo. I wanted to propose this suggestion to the Secretariat before passing it on to the School of Leaders for voting. My feeling on this is that we do not require any special abilities for a person to serve as Treasurer and requiring an audit raises the level of accountability for the Treasurer. The books may balance, but are they may not be up to accounting standards [I am referring to the books in general, not the books as they currently stand under Stan's excellent work.]. I am asking for input, especially from the existing Treasurer since this would be adding to his duties.

Respectfully submitted,

Denise Flemister
School of Leaders Coordinator
